

Dear Prospective Volunteer,

Thank you so much for your interest in joining our team. Our volunteers are the heart of our program and without dedicated volunteers the healing and progress of the clients who attend our program would not be a reality. It is through the dedication and generosity of people like you that these people are positively affected every day. We cannot express how much we value our volunteers. Bethany's Gait is a "program" but at our heart is a family of people choosing to love military, children, horses and each other and give of our time to these passions.

Bethany's Gait takes pride in the individualized program designed for each of the clients who attend our program. Our volunteers make it possible to spend the time necessary to make sure each client and each horse gets the very best we have to offer. Making sure our clients meet their goals and are provided a safe secure environment is the foundation of volunteer service.

There are many volunteering opportunities to choose from:

- Schooling/Exercising the horses
- Helping with fundraising and events
- Working in the office
- Mentoring clients
- Organizing workdays
- Grounds maintenance
- Professional assistance (i.e. attorney, bookkeeper, etc.)
- General care of the horses (i.e. feeding, cleaning)
- Tack and equipment care

Please note: Because of the nature of our program, all adult volunteers who work onsite with children will be required to complete and pass a background check.

Please fill out the following application form and return them to our office. We will then schedule an interview and orientation. Feel free to call if you should have any questions.

We look forward to hearing from you soon and please know how grateful we are for your interest.

Blessings,

Cristi Silverberg-Rose
Founder/Executive Director
